

SCHOLARSHIP REQUEST FORM

ASHLAND FAMILY YMCA

540 YMCA WAY * ASHLAND, OR 97520 * 482-9622

The Ashland Family YMCA Financial Assistance Program was created in order to insure that YMCA services are accessible to low-income youth and families in our community. Funds are available thanks to the volunteers who collect donations during our **Annual Scholarship Campaign for Kids** and from other gifts. Our ability to grant financial assistance is therefore dependent upon the availability of those funds. The majority of funds are ear-marked to assist youth. No tax money is received by the YMCA.

The criterion for assessing financial assistance eligibility is based on individual and family needs and funds available. In order to insure that financial assistance funds benefit the maximum number of people, the YMCA may limit the amount of financial assistance received by any individual or family within a certain period of time.

The YMCA believes a strong sense of ownership and pride is developed if the financial assistance recipient contributes to the cost of their YMCA involvement. Therefore, applicants are asked to pay a portion of the membership/program fees.

Dear scholarship applicant,

Each year volunteers raise funds from caring local businesses and community members so the YMCA may provide scholarships to those in need, primarily children. This amount is supplemented with grants and United Way funds.

To help in this endeavor, we require repeat financial assistance applicants to submit a letter or statement of impact. Please share with us the positive impact you've received from participating in YMCA programs or membership.

Thank you for your cooperation.
